Description

This 2015 Ford Fiesta TDCi Titanium offers a practical and well-equipped driving experience for those seeking a reliable hatchback. As a Titanium trim model, it comes fitted with 14-inch alloy wheels featuring a 5x2 spoke design, which complements its classic styling. Inside, the cabin is designed for convenience, including electronic automatic temperature control to maintain a comfortable climate regardless of the weather outside. Drivers can also stay connected safely while on the move thanks to the integrated Bluetooth hands-free phone system, and the automatic headlights provide added ease by adjusting to lighting conditions without manual input. The standout quality of this vehicle is its exceptional efficiency, as it achieves an impressive 88 mpg. This high fuel economy, combined with its Euro 6 emission class and low CO2 output, makes it a sensible choice for motorists looking to reduce their running costs and environmental impact. By balancing these economical credentials
